Professional Summary:

Highly motivated and talented software developer with a strong passion for coding and a proven ability to quickly learn and adapt to new technologies. Although I haven't had the opportunity to work as a professional software developer yet, I've developed a solid foundation in programming languages and software development principles through self-study and personal projects. I'm excited to bring my skills, enthusiasm, and strong work ethic to a dynamic team and continue growing as a developer.

Education:

University of Ibadan

B.Sc. in Computer Science

Ibadan, Nigeria
